Joy for the Journey

Joy is a part of life we can all experience. It is a gift from the Lord! Nehemiah 8:10 tells us "The JOY of the Lord is our strength." In life trials do come. They are part of our journey, but when we give our worries and our most difficult pain to the Lord, He will restore our joy. We can live our lives with joy and finish strong.

Girl Talk

Ever wonder why some people attract friends like a magnet and others don't? What does God have to say about friends and close relationships? We will talk about the keys to meaningful relationships with other women and laugh at how we are getting through this journey together. This is the perfect keynote talk or a first talk to be used at a retreat if there are multiple sessions.

A Woman's Heart

Women are like overcooked brisket ... tough. Being a woman is not all red hots and roses. This talk is about the ups and downs of being a female at all ages and stages with lots of laughter to lighten the load.

Turn Your Eyes Upon Jesus

When we turn our eyes upon Jesus we can get through anything the world throws at us. This talk ends with a salvation message. Tammy shares with women about being in the pits and being rescued by Jesus. It digs deep into the heart of every woman who wants to run this race with endurance. This talk is excellent when speaking more than once at a retreat or conference.

Tammy kept our attention with unending hilarious humor. But then hit hard with real truth that you could take home. We know of six ladies that committed their lives to Christ which was the most exciting thing of all. I would recommend Tammy for any women's event whether it be a retreat, luncheon, or ladies night out. You could never go wrong on booking this lady. The love of Jesus shines through her life from the moment you meet her.

Our expectations were blown out of the water with Tammy Whitehurst as our speaker. We had almost 200 ladies at our event. She walked around from table to table during dinner and spoke to the ladies, making personal connections with each table. Her message had us laughing and crying and she brought us straight to the throne of Jesus. Tammy went above and beyond as our speaker at Woodland Hills Baptist Church. We were blessed to have her!

Tammy Whitehurst is an absolute blast! Her humorous style coupled with her amazing insight into God's Word leaves the audience uplifted, strengthened and filled with hope - no matter what trials they might be facing. While she was sharing, I found myself thinking, "Keep going, keep going - I don't want this to end!" Tammy is a treasure that you will want to book again and again.
